(the year of Tunisian
Revolution)

Free Sight
Association
جمعية رؤية حرة

aims to defend human rights in general, especially the rights of youth, and women, to build peace and eliminate the gender gap between women and men in various fields, eliminate and prevent violence against women through the development of the legislative system, participatory dialogue, Follow up the implementation of laws, and conduct awareness campaigns to change mentalities and behaviors through various artistic expressions and encourage cultural creativity to produce alternative cultures

Free Sight
Association
جمعية رؤية حرة

We at FSA have a deep belief in **Universal Human Rights** and a strong will to promote it. We focus on marginalized, deprived, vulnerable, stigmatized, abused groups, with fewer opportunities, under threat of risky behavior (delinquency, drugs, irregular immigration, violences, and violent extremism).

Fields of work

Production of knowledge :

- Researchs
- Studies
- Curriculums
- Pedagogic kits and tools

2019, Free Sight produced the first quantitative research on “indicators of masculinity in Tunisian society,” which highlighted shocking numbers that explain all forms of violence, discrimination and exclusion imposed on women.

Fields of work

Awareness campaigns :

Fields of work

Awareness campaigns via community dialogue: Proximity contact and communication

Governorate of KAIRWAN 2018

Fields of work

Awareness campaigns via community dialogue: Proximity communication

« Thé-Genre »

(Gender-tee)

Dialogue meetings with women who do not participate in the activities of associations, the coordinators communicate with them and meet with their relatives, neighbors and friends at home to provoke a discussion about raising children on the principle of equality between boys and girls and so that women who are aware of discrimination do not reproduce the same violence that they may complain about

« Thé-Genre » (Gender-tee)

Fields of work

Awareness campaigns via community dialogue: Proximity communication

« Café-Genre » (Gender-coffee)

Dialogue meetings with men in cafes that women do not frequent, where the coordinators host them and provoke a discussion about discriminatory practices inside the home and in raising children and how to deal with women in their surroundings.

Fields of work

Awareness campaigns via community dialogue: Proximity communication

« Débat-Genre » (Gender-debate)

Dialogue meetings with young men and women, cadres, workers, and future fathers and mothers, in dormitories, universities or training centers, to discuss gender equality at the family, university, and work levels, women's economic participation to face the burdens of life, then equality in all rights without exclusion or discrimination

for gender equality

2021

Founding of the National Alliance “Tunisian Women for Peace and Security” December 10, 2016

It includes local, regional and national associations that benefited from the capacity development program and wished to continue cooperation, coordination, exchange of knowledge and experiences, and direct contribution to the implementation of the national plan to implement Resolution 1325 in Tunisia and to enhance women's gains in various areas, fields and levels. The alliance is still dynamic and interactive, and activities and meetings are still continuing.
